INTRODUCTION

The College of Menominee Nation (CMN) was chartered by the Menominee People in 1993, and was authorized by the United States Congress in 1996 as one of only three land grant colleges in Wisconsin. CMN operates two campuses. Its main campus is located in Keshena, Wisconsin, on the Menominee Reservation, and the second campus is in an urban location in metropolitan Green Bay, Wisconsin.

The College of Menominee Nation is an equal opportunity educator and an equal opportunity employer. CMN is accredited by the Higher Learning Commission (www.hlcommission.org) and chosen for the HLC's prestigious Academic Quality Improvement Program. CMN is a tribal college with affiliations including membership in the American Indian Higher Education Consortium (AIHEC) and with articulation agreements for student transfer into the University of Wisconsin System and other major institutions.

CMN is committed to providing all students with a quality educational experience. It is the goal of CMN to make the students, faculty, staff and visitors to the College as safe as possible. To accomplish this, the College understands that it is important to engage the entire campus communities of both locations in the shared obligation of safety through partnerships.

This document contains the College of Menominee Nation's annual compliance and security report for its Keshena and Green Bay, Wisconsin campus. This information is distributed as an electronic link to all active email accounts of students, faculty and staff. The report is also posted in a public location on the CMN Internet and CMN Intranet websites. This information is also available to prospective students and/or employees upon request. All students and employees are encouraged to familiarize themselves with these compliance reports.

The College of Menominee Nation prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with the local law enforcement agencies surrounding both the Keshena, Wisconsin, and Green Bay, Wisconsin, campus. Campus crime, arrest and referral statistics include those reported to the local law enforcement agencies. These statistics may also include crimes that have occurred in private residences or businesses. All Clery Act geography is located on the campus of the College of Menominee Nation as outlined below:

CRIME STATISTICS: CLASSIFYING AND COUNTING CLERY ACT CRIMES

The College of Menominee Nation is required to report crime statistics from the following four (4) categories:

1. **Criminal Offenses**-Criminal Homicide, including Murder and Non-negligent.

Manslaughter and Manslaughter by Negligence; Sexual Assault, including Rape, Fondling, Incest and Statutory Rape; Robbery, Aggravated Assault; Burglary; Motor Vehicle Theft; and Arson.
2. **Hate Crimes**- Any of the above-mentioned offenses, and any incident of Larceny Theft, Simple Assault, Intimidation, or Destruction/Damage/Vandalism of Property that were motivated by bias.
3. **VAWA Offenses**-Any incidents of Domestic Violence, Dating Violence and Stalking.

(Note: Sexual Assault is also a VAWA Offense but is included in the Criminal Offenses category for Clery Act reporting purposes.).
4. **Arrests and Referrals for Disciplinary Action for Weapons**-Carrying,

Possessing, Etc. Law Violations, Drug Abuse Violations and Liquor Law Violations.

Under the Clery Act, for the purposes of counting and disclosing Criminal Offenses, Hate Crimes, Arrest and disciplinary referral statistics; CMN must do so based on definitions provided by the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting (UCR) Program. For the categories of Domestic Violence,

Dating Violence and Stalking, the Clery Act specifies that CMN must use the definitions provided by the Violence Against Women Act (VAWA) of 1994. Included with these statistics is the number of all reported offenses, no matter what the findings.

COLLECTING STATISTICS: AUTHORITIES AND LAW ENFORCEMENT AGENCIES

The College of Menominee Nation is required to identify its institutional Campus Security Authorities (CSA's). The CMN CSA's are the following:

Tessa James, Advancement and Enrollment Director
College of Menominee Nation
P.O. Box 1179
Keshena, WI 54135
(715) 799-6226, ext. 3039
tjames@menominee.edu

Sarah Lyons, Human Resources
College of Menominee Nation
P.O. Box 1179
Keshena, WI 54135
(715) 799-6226, ext. 3173
salyons@menominee.edu

Melinda Cook, Chief of Staff
College of Menominee Nation
P.O. Box 1179
Keshena, WI 54135
(715) 799-6226, ext. 3040
melcook@menominee.edu

It is the responsibility of CMN to collect information from individuals and organizations associated with the College about crimes, arrests and referrals that have been reported, and requesting crime and arrest statistics from local law enforcement agencies.

It has been determined that the CSA's (indicated above) within the institution will work with other staff and faculty who have significant responsibility for students and events that occur on campus. They are as follows: Campus Support Staff to include Housekeeping, Maintenance, Receptionist, Purchasing Manager, Administrative Assistant and Director.

Other individuals within the institution to whom the community, students or employees can report criminal offenses are: CMN Deans, Directors and Managers to include but not limited to staff, Dean of Continuing Education, Dean of Letters & Science, Library Director, and the Dean of Retention.

The designated office to coordinate and oversee the CSA's is:

Melinda Cook, Chief of Staff
College of Menominee Nation
P.O. Box 1179
Keshena, WI 54135
(715) 799-6226, ext. 3040
melcook@menominee.edu

The Chief of Staff, through the use of the Emergency Response Team (ERT), and the Menominee County/Reservation Emergency Management Team (MCREMT) coordinates, attends and participates in meetings as opportunities to discuss campus safety and security issues as well as to discuss and coordinate training for staff, faculty and students. Training examples include: Roles and Responsibilities of CSA's, Active Shooter, CPR/First Aid/AED, Lockdowns, Fire Drills, Tornado Drills and bad weather preparedness, to name a few. All reports of crime are forwarded to the Chief of Staff for documentation, follow up and investigation.

In addition to collecting crime reports from Campus Security Authorities (CSA's) the Clery Act requires the College of Menominee Nation to make a "reasonable" effort to obtain Clery Act crime statistics from all local law enforcement that have jurisdiction over CMN's Clery Act geography. A formal letter on CMN letterhead is written to request Clery Act statistics from local law enforcement agencies such as: Menominee Tribal Police, Menominee County Sheriff Department and Shawano County Sheriff Department for the Keshena campus and the Ashwaubenon Public Safety Department for the Green Bay/Oneida campus. The letter contains a spreadsheet detailing the specific Clery Act statistics needed to complete this report.

THE DAILY CRIME LOG

The College of Menominee Nation does not have campus police or full-time security guards. Staff members do have the authority to ask persons for identification and to determine whether individuals have lawful business at the College but do not possess arrest power.

Criminal incidents are referred to the Tribal or local police who have jurisdiction on the campus. The Campus Support Director and other key staff at CMN maintain a highly professional working relationship with the Tribal and local police.

The Menominee Tribal Police Department, the Menominee County Sheriff Department, Menominee County/Tribe Emergency Management, Shawano County Sheriff Department and Ashwaubenon Public Safety are the major elements in a crime-prevention network that includes the Chief of Staff and Campus Support staff.

Students attending the College of Menominee Nation benefit from the cooperative relationship with county, local, tribal, and town law enforcement agencies/governments. The College of Menominee Nation relies on these relationships for support on several levels. In addition to passing critical information to one another, CMN's Chief of Staff and Campus Support Department has immediate contact with the Menominee Tribe/County as well as Shawano County Emergency Operations/911 Center for the Keshena campus and Ashwaubenon Public Safety/911 Center for the Green Bay/Oneida campus. This arrangement allows unfettered access to mutual aid and support from the Menominee Tribal Police, Menominee County Sheriff, Shawano County Sheriff, Fire Department, and Emergency Medical Services for the Keshena campus and Ashwaubenon Public Safety for the Green Bay/Oneida

campus. Menominee Tribal Police officers, Menominee County Sheriff deputies, Shawano County Sheriff deputies and Ashwaubenon Public Safety Officers regularly patrol the town streets that border and pass through both the Keshena and Green Bay/Oneida campuses.

CAMPUS POLICIES, PROCEDURES AND PROGRAMS

The College of Menominee Nation is committed to providing a safe learning and working environment. In compliance with federal laws, policies and procedures have been adopted to raise awareness, prevent, and respond to incidents of sexual assault, domestic violence, dating violence, and stalking involving members of the campus community. These guidelines apply to all students, faculty, staff, contractors and visitors.

REPORTING CRIMINAL ACTIONS

The College encourages anyone who is a victim or witness to any crime to promptly report the incident to the College or Tribal or other local law enforcement agency. Depending on the type of crime and campus location, the reporter's desire for confidentiality may be subject to any requirements of that jurisdiction.

Students receive a Student Handbook and are expected to refer to the Handbook for their rights and responsibilities regarding any safety and security issues, including consequences for their own behavior. Staff and faculty are also subject to the College's Human Resources Department Personnel Policies and Procedures.

The College of Menominee Nation encourages all students, staff, faculty and other CMN community members to be fully aware of safety issues on its campuses and to take action to prevent and report emergency situations, illegal and inappropriate activities. Personal awareness and applying personal safety practices are the foundations of a safe community.

These are the preferred individuals to be contacted regarding crimes committed on campus.

TIMELY WARNING REPORTS TO CAMPUS COMMUNITY

In the event that a situation arises, either on or off campus, that, in the judgment of the Campus Safety Authorities (CSA's) constitutes an ongoing or continuing threat, a campus-wide "timely warning" will be issued. The warning will be issued to students, faculty, and staff through the College's School Messenger System that includes a paging system, text messages, e-mail system, website and the information monitors at both campuses.

Depending on the nature of the situation and need for more immediate notification, a copy of the notice is posted at the exterior doors of each campus building or on classroom doors.

Anyone with information warranting a timely warning should report the circumstances to the Campus Support Director:

Keshena Campus Support: (715) 851-5443
Keshena Campus Receptionist: (715) 799-5600, ext. 3000
Green Bay/ Oneida Campus Receptionist: (920) 965-0070

The College Safety Committee has developed a comprehensive list of [Emergency Procedures](#) to immediately notify the campus community in the event of an emergency situation including criminal activity, fires, gas leaks or severe weather. All students, staff and faculty are encouraged to familiarize themselves with the location and content of these procedures and [Quick Reference Guides](#) which are posted in each classroom, meeting room and office. The Emergency Procedures contain specific instructions for each type of emergency and tested at least one or more times per semester.

STUDENT CONDUCT

[Student Handbook](#) outlines the expectations of students.

EMPLOYEE POLICIES

The College of Menominee Nation Human Resources Department provides [Policies and Procedures](#) that outline the expectations of staff and faculty.

WEAPONS ON CAMPUS POLICY

Possession or use of weapons in buildings owned or controlled by the College is prohibited. Weapons include, but are not limited to, firearms, ammunition, knives (except small pocket knives), BB guns, and pellet guns, fireworks, or other dangerous objects or substances. Law enforcement officials may be exempt from this rule.

Students, staff, faculty, and employees are allowed to keep firearms in their vehicles in the parking area ONLY if consistent with their legal status (licensed or unlicensed) and consistent with Federal, State, and Tribal laws. No firearms allowed in buildings or job sites, with no exceptions.

Members of our campus are encouraged to report potential violations to law enforcement authorities and notify campus personnel to insure the safety of others.

ALCOHOLIC BEVERAGES/ ILLEGAL DRUGS

Students, staff and faculty are prohibited from possessing or consuming alcohol or illegal drugs while on campus or at campus-sponsored activities. Underage drinking is included in this policy. Penalties for such actions are detailed in the [CMN Student Handbook](#) and [CMN Personnel Policies and Procedures](#). These penalties include College disciplinary action as well as criminal prosecution, fine and imprisonment for violation of Federal, State, Tribal, local laws or ordinances. A [CMN Family Resource Listing](#) is available for students, staff and faculty who encounter Alcohol and other Drug Abuse issues. This resource provides a listing of all local and area Alcohol and other Drug Abuse treatment services.

The Drug Free Schools and Communities Act Amendments of 1989, Public Law 101-226, requires that each institution of higher education shall annually distribute to each student and employee information that clearly sets forth institutional policy regarding the prohibition of illicit drugs and alcohol. CMN subscribes to the goals of the Drug Free Schools and Communities Act and takes this opportunity to alert students and employees to the College's expectations.

The College of Menominee Nation prohibits the unlawful possession, use, distribution, manufacture, or dispensing of illicit drugs and alcohol by students and employees on campus property or as part of campus activities. CMN reports any alleged non-academic misconduct to the Dean of Student Services for potential action by Dean or referral to a hearing process through the CMN Judicial Council. Violation of these provisions by a student may lead to the imposition of a disciplinary sanction, up to and including suspension or expulsion.

Please see the Judicial Council and Reporting Violations section for additional details in the [CMN Student Handbook](#). Referral for prosecution under criminal law is also possible

The College of Menominee Nation has also adopted a Tobacco-Free Campus Policy in keeping with its interest in improving public health.

CAMPUS FACILITY AND BUILDING ACCESS

Keys and security codes are issued to key personnel for the opening/closing of buildings as well as the need to enter the building after normal business hours.

CMN ensures that all buildings and parking areas are well lit. When not in use, buildings will be locked such as the Commons and are locked. In the evening only certain exterior doors in the classroom buildings can be entered. Facilities planning utilizes concepts of "defensible design" when planning new buildings or during remodeling projects. The numbers of all classrooms and exterior doors are labeled on the outside of the building to aid in identification during an emergency

Each of the major buildings on the Keshena campus has a distinct fire number for use in the event of a necessary emergency response. The Green Bay/Oneida campus is part of metropolitan Green Bay and has a street address in the event of necessary emergency response. Both the Keshena campus and the Green Bay/Oneida campus classrooms and offices have been labeled with room numbers that are displayed both on the door and on the

window for outside display in case of emergency response. The Campus Safety Maps are updated and shared with law enforcement and fire departments.

The College of Menominee Nation regularly seeks the advice of law enforcement, fire department, emergency government, insurance safety experts, and other campus security departments in maintaining and improving campus security and safety.

During typical business hours, the College is open to students, parents, employees, contractors, guests, and invitees.

CAMPUS SAFETY AND SECURITY ON THE KESHENA CAMPUS

Daytime visitors to the campus must register at the reception desk for Keshena located near the main entrance in the Atrium. The Green Bay/Oneida campus main reception desk is located at the end of the main corridor immediately to the left.

Administrators at both the Keshena and Green Bay/Oneida campus expecting campus guests need to inform the receptionist of that requirement so that a record of visitors and guests can be maintained. It is important that the campus is aware of the presence of those not part of the campus community both for security purposes, as well as to assure that those guests receive the appropriate assistance or services of the College.

The College of Menominee Nation's campus safety and security protocols at the Keshena campus include designation of a campus "Emergency Response" team chaired by the Chief of Staff. This team has the lead responsibility for mobilizing the campus in the event of a campus safety or security emergency. Members of the team are drawn from the various units of the campus community trained in First Aid, CPR, and Defibrillator applications. Team members have an FAA-licensed radio system and can be easily identified by the emergency vests they wear during a campus emergency. The campus team has designated responsibilities for evacuating the campus and/or assuring that campus employees, students and guests move calmly and safely to a designated safe site in the event of an emergency.

Keshena campus facilities are equipped with a security system at the main entrances. Administrators and other key staff are provided with a key and a code for the security system pad, as well as an information card that is kept in a file. The access codes are confidential and not disseminated to any other employees. A Campus Support number is available, posted in each classroom and is as follows: (715) 851-5443 or via the Receptionist:

(715) 799-5600, ext. 3000

CAMPUS SAFETY AND SECURITY ON THE GREEN BAY/ONEIDA CAMPUS

Off-hours access to the Green Bay/Oneida Campus is restricted to employees of the College of Menominee Nation, and personnel on that campus are equipped with walkie-talkies to quickly communicate any threat or emergency situation. Contact is available via the Receptionist: (715) 799-5600, ext. 4000.

SECURITY CONSIDERATIONS IN THE MAINTENANCE OF FACILITIES

Maintenance and Housekeeping staff at both campuses are alert to safety and security issues at all times. Staff members ensure that lighting and security systems are operational. Hallways, classrooms and exterior grounds are well lit and all doors are secure and emergency generators and fire suppression systems are inspected and maintained. Maintenance and housekeeping staff members also serve on the Emergency Response Team and have the proper training.

EMERGENCY TELEPHONES

Security and safety for the College includes the use of an emergency blue button that is centrally located on the Keshena Campus in the main student parking lot and within a call box located on the pathway between south and central campus location. Pushing the button immediately alerts local authorities to an emergency.

SECURITY CAMERAS

Security cameras have been placed in numerous locations at both campuses. These cameras are continuously recording with a 30 day memory capacity. These security cameras are monitored by staff. Security cameras have proved useful in deterring crimes as well as aiding in identification of those responsible for crimes committed.

PROGRAMS

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. During the orientation for new students each semester, new students are advised of the College's Emergency Procedures posted in all classrooms. The College also recommends the following measures to safeguard your personal security:

- a. Be aware of your surroundings. Watch for any situations that might encourage unsafe or criminal behavior.
- b. Be cautious when walking or working alone in any building, classroom or on the walking trail, especially at night. Work or walk with a friend or coworker.
- c. Protect your office. Keep valuables locked in your desk and lock your offices when you are absent.
- d. Never open locked exterior doors for strangers. Never prop open doors when no one is monitoring the door.
- e. Always lock your vehicle doors and don't leave private property in a visible area.

DRUG AND ALCOHOL ABUSE EDUCATION PROGRAM

The College of Menominee Nation does not operate an independent Drug and Alcohol Education Program. The College can make referrals and obtain resources from Wisconsin Tribes and County Agencies. Resource Information found within the [CMN Family Resource Listing](#).

EMERGENCY RESPONSE AND EVACUATION

The College Emergency Response Team has developed a comprehensive list of “[Emergency Procedures](#)” to immediately notify the campus community in the event of an emergency situation including criminal activity, fires, gas leaks or severe weather. All students, staff and faculty should familiarize themselves with the location and content of these procedures and Quick Reference Guides which are posted in each classroom, meeting room and office. These procedures contain specific instructions for each type of emergency. These procedures are tested at least one or more times per semester.

SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE AND STALKING

Sexual Assault, Dating Violence, Domestic Violence and Stalking are issues of significant concern across all college campuses, including those of the College of Menominee Nation. In compliance with Title IX and the Clery Act, as amended by the Violence Against Women Act (VAWA), the College responds to all allegations of sexual misconduct, including sexual harassment, non-consensual sexual contact, non-consensual sexual intercourse, domestic violence, dating violence and stalking in a prompt and unbiased manner.
